Children's Phlebotomy

New ways to book your child's blood test, online or by phone 24/7

Register with your child's details, and book online at:

www.bedfordpaediatrics.sangix.co.uk

or call our automated telephone booking service on:

01234 868006

You can still speak to our paediatric outpatient team via switchboard, particularly if your child has additional needs, or for fasting, genetics and hormone tests.
